SUB-EST2020: Subcounty Resident Population Estimates: April 1, 2010 to July 1, 2020

File: 7/1/2020 Subcounty Population Estimates

Source: U.S. Census Bureau, Population Division

Release date: May 2021

Sort order of observations: STATE, COUNTY, and COUSUB

Data fields (in order of appearance):

The key for SUMLEV is as follows:

040 = State

050 = County

061 = Minor Civil Division

071 = Minor Civil Division place part

157 = County place part

162 = Incorporated place

170 = Consolidated city

172 = Consolidated city -- place within consolidated city

Notes: The estimates are based on the 2010 Census and were created without incorporation or consideration of the 2020 Census results. The estimates reflect changes to the April 1, 2010 population due to the Count Question Resolution program and geographic program revisions. For functional status codes, see https://www.census.gov/library/reference/code-lists/functional-status-codes.html. All geographic boundaries for these population estimates are as of January 1, 2020. An "A" in the 2010 Census field indicates a government that was formed or incorporated after the 2010 Census. Additional information on these areas is available in the Geographic Boundary Change Notes here: https://www.census.gov/programs-surveys/geography/technical-documentation/boundary-change-notes.html. For population estimates methodology statements, see https://www.census.gov/programs-surveys/popest/technical-documentation/methodology.html.
